

ADRE SUCCESS

GENERAL KNOWLEDGE HANDBOOK

Assam + India • Complete Prep Edition

365-question aligned study handbook

This edition is designed to be a genuine revision handbook rather than an answer key. Read the concepts, facts, comparisons and memory aids first; then practise the linked questions online.

Alignment: The handbook was built from the current ADRE Success Complete Prep General Knowledge bank of 365 questions. The question-number links tell you exactly which part of the practice bank the section prepares you for.

Important: The question bank is the alignment source. Explanatory paragraphs and memory aids are handbook-style teaching material added around those tested knowledge points; they are not themselves an official recruitment-authority publication.

How to use

- **Step 1:** Read one topic and underline names, dates, places and key terms.
- **Step 2:** Close the PDF and recall the important facts.
- **Step 3:** Attempt the linked online questions.
- **Step 4:** Re-read only the concepts behind mistakes and guesses.
- **Step 5:** Repeat the weak topics before attempting the next block.

Handbook Roadmap

The 365 paid GK questions are organised into six learning blocks.

Block	Coverage	Linked practice
1	Assam: geography, history, culture, literature, wildlife, economy & places	Q1–105
2	Ancient & medieval Indian history	Q106–140
3	Modern India & freedom movement	Q141–193
4	Constitution & Indian polity	Q194–256
5	Indian geography & environment	Q257–313
6	General science + economy + institutions + sports	Q314–365

High-value memory pairs

Pair	Remember together
Assam history	Sukaphaa → Ahom kingdom; Lachit Borphukan → Saraighat
Assam culture	Bohag/Rongali → new year; Magh/Bhogali → feasting; Kati/Kangali → lean period
Vaishnavite culture	Sankardeva → Neo-Vaishnavism, Satra, Bhaona, Ankiya Naat; Madhavdeva → chief disciple
Silk	Muga → golden sheen; Eri → Ahimsa silk
Polity	Article 14 → equality; 21 → life & personal liberty; 32 → constitutional remedies
Geography	Narmada → rift valley/westward; Godavari → longest peninsular river
Science	Force → newton; energy → joule; power → watt; pressure → pascal

PART I — ASSAM GENERAL KNOWLEDGE

1. Assam at a Glance

Assam is the principal gateway of the North-East and has a distinctive physical and cultural identity shaped by the Brahmaputra and Barak river systems. For objective examinations, learn Assam through connected pairs: river–valley, city–nickname, place–district, protected area–wildlife, personality–work and industry–location.

Theme	Core points to remember
Major river systems	Brahmaputra valley in northern/central Assam; Barak valley in southern Assam
Major urban centre	Guwahati
Barak Valley	Silchar is the main urban centre; Bengali is widely spoken
Tea	Assam is strongly identified with tea; Dibrugarh is known as the Tea City of India
Cultural capital	Jorhat
Important pilgrimage	Kamakhya at Nilachal Hill; Hajo has Hindu, Islamic and Buddhist associations
Major river port	Pandu Port on the Brahmaputra

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q1–Q4** in the Complete Prep bank.

2. Rivers, Landscape & Important Places

The Brahmaputra is the dominant river of Assam's northern valley. The Barak is the major river system of southern Assam. Several tributaries are important for location-based questions. Tezpur lies on the Brahmaputra; Majuli is a river island associated with the Brahmaputra; Umananda is an island in the Brahmaputra at Guwahati.

Place / feature	Remember
Brahmaputra	Major river of the Assam valley; associated with severe flooding and the expression "Sorrow of Assam"
Barak	Major river of southern Assam / Barak Valley
Dhansiri	Important tributary of the Brahmaputra in central Assam
Majuli	River island associated with Satras and the Brahmaputra
Umananda Island	River island at Guwahati with Umananda Temple
Kamakhya	Temple on Nilachal Hill, Guwahati
Hajo	Important multi-faith pilgrimage centre
Haflong	Hill town; headquarters of Dima Hasao

Exam habit: When a question gives a river, immediately ask yourself: valley? city? island? tributary? protected area?

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q25–Q45** in the Complete Prep bank.

3. Ahom History

The Ahom kingdom is one of the central pillars of Assam history. Sukaphaa established the Ahom kingdom in the 13th century. The Ahom state developed a durable political and military system and remained a major power in the Brahmaputra valley for centuries.

Topic	Handbook note
Founder	Sukaphaa
Period of establishment	13th century
Battle of Saraighat	1671; fought on the Brahmaputra
Ahom commander	Lachit Borphukan
Rang Ghar	Associated with Pramatta Singha; located near Sivasagar
Talatal Ghar	Ahom-period monument
Charaideo	Famous for the Moidams, associated with Ahom royal burials

Chronology cue: Sukaphaa → Ahom foundation → long Ahom rule → Saraighat (1671) → Sivasagar monuments → Charaideo Moidams.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q14–Q24** in the Complete Prep bank.

4. Neo-Vaishnavite Culture

Srimanta Sankardeva is a foundational figure in Assamese religious, literary and cultural history. His movement shaped community institutions, devotional music, drama and dance. Madhavdeva was his chief disciple.

Concept	What to know
Sankardeva	Principal propagator of Neo-Vaishnavism in Assam
Madhavdeva	Chief disciple of Sankardeva
Borgeet	Devotional song tradition associated with Sankardeva
Ankiya Naat	One-act dramatic form developed by Sankardeva
Bhaona	Traditional theatrical form associated with Sankardeva
Satra	Institution central to Assamese Vaishnavite culture
Namghar	Community prayer and worship space
Sattriya	Classical dance tradition associated with the Satras

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q25–Q32** in the Complete Prep bank.

5. Festivals, Dress, Music & Handicrafts

Assam's cultural questions often use alternate names. Learn both names and the seasonal meaning. Bihu is not one single festival: Bohag/Rongali, Kati/Kangali and Magh/Bhogali have distinct associations.

Item	Key association
Bohag Bihu	Rongali Bihu; marks the beginning of the Assamese calendar year
Kati Bihu	Kangali Bihu
Magh Bihu	Bhogali Bihu; associated with community feasting and bonfires
Mekhela Chador	Traditional Assamese women's attire
Muga silk	Golden sheen; produced by <i>Antheraea assamensis</i>
Eri silk	Also called Ahimsa silk
Pepa	Buffalo-horn instrument associated with Bihu
Gogona	Bamboo jaw harp
Dhol	Drum used in Bihu music
Toka	Small bamboo percussion instrument
Banshi	Bamboo flute
Jhumur	Folk tradition strongly associated with tea garden communities

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q9–Q13** in the Complete Prep bank.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q46–Q69** in the Complete Prep bank.

6. Literature & Personalities

For Assamese literature, prepare short author–work and author–title pairs. The exam often tests a famous work, pen name, award or literary identity rather than a long biography.

Person / work	Remember
Lakshminath Bezbaroa	Known as "Rasraj"
Hemchandra Barua	Author associated with Hemkosh
Rajanikanta Bordoloi	Author of Miri Jiyori

Person / work	Remember
Indira Goswami	Pen name: Mamoni Raisom Goswami; Jnanpith Award in 2000
Birendra Kumar Bhattacharyya	First Assamese Jnanpith recipient; author of Mrityunjay
Nilmani Phookan	Jnanpith Award winner in 2021
Hiren Bhattacharyya	Popularly known as "Hiru da"
Hem Barua	Associated with Biswa Bijay

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q46–Q55** in the Complete Prep bank.

7. Wildlife, Wetlands & Protected Areas

Assam wildlife questions are easiest when learned as a map of habitats. Kaziranga is the flagship rhino landscape; Manas is important for tiger and golden langur habitat; Nameri lies toward the Arunachal Pradesh side; Raimona is in western Assam; Hollongapar is associated with hoolock gibbons; Pobitora is known for high rhinoceros density.

Protected area / landscape	High-yield association
Kaziranga National Park	One-horned rhinoceros; tiger reserve designation in 2007
Manas National Park	Tiger landscape; golden langur habitat
Dibru-Saikhowa	Riverine-island wildlife landscape
Nameri National Park	Northern bank landscape; boundary with Arunachal Pradesh
Raimona National Park	Kokrajhar / western Assam; golden langur
Hollongapar Gibbon WLS	Hoolock gibbon
Pobitora WLS	High density of one-horned rhinoceros
Panidihing WLS	Migratory-bird habitat
Deepor Beel	Major freshwater wetland near Guwahati
Dihing Patkai	Tropical rainforest landscape
Manas Biosphere Reserve	Associated with the Manas landscape

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q5–Q8** in the Complete Prep bank.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q71–Q83** in the Complete Prep bank.

8. Assam Economy & Industry

Assam's economy questions frequently connect natural resources with industrial locations. Tea and petroleum are especially important, while sericulture and handloom provide cultural-economic links.

Industry / product	Location or fact
Tea	Major plantation crop; Assam is a leading tea-producing state
Dibrugarh	Historically associated with early large-scale tea gardens; Tea City of India
Digboi	Historic oil exploration and refining centre; Digboi Refinery
Numaligarh	Numaligarh Refinery in Golaghat district
Noonmati	Guwahati Refinery near Guwahati
Bongaigaon	Bongaigaon Refinery
Muga silk	Golden silk strongly associated with Assam
Sarthebari	Famous for bell-metal craft; in Bajali

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q84–Q95** in the Complete Prep bank.

9. Pilgrimage, Towns & Regional Identity

Location questions become easier when you memorise a few anchor places: Guwahati–Kamakhya–Nilachal, Hajo–multi-faith pilgrimage, Nagaon–Batadrava Than, Morigaon–Mayong, Sivasagar–Ahom monuments, Jorhat–cultural

identity, Dibrugarh–tea, Silchar–Barak Valley.

Anchor	Association
Guwahati	Largest urban centre; Kamakhya; Umananda; Ambubachi Mela; Pandu Port
Sivasagar	Rang Ghar and other Ahom monuments
Jorhat	Popularly called cultural capital of Assam
Dibrugarh	Tea City of India
Nagaon	Batadrava Than
Morigaon	Mayong tradition
Sarthebari	Bell-metal craft
Silchar	Main urban centre of Barak Valley

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q34–Q45** in the Complete Prep bank.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q93–Q105** in the Complete Prep bank.

PART II — INDIAN HISTORY

10. Ancient India

Ancient-history questions in this bank concentrate on major dynasties, texts, travellers, rulers and institutions. The safest method is to learn each dynasty with one founder/ruler, one achievement and one associated source.

Topic	Core knowledge
Mauryan Empire	Founded by Chandragupta Maurya; Kautilya was his adviser
Ashoka	Mauryan ruler associated with the Kalinga War and later embrace of Buddhism
Arthashastra	Associated with Kautilya
Indica	Written by Megasthenes
Gupta dynasty	Founded by Sri Gupta
Samudragupta	Known as the "Napoleon of India"; Allahabad Pillar inscription praised him
Harisena	Author of the Allahabad Pillar inscription praising Samudragupta
Chandragupta II	Fa-Hien visited India during his reign
Harsha	Hiuen Tsang visited India during his reign
Nalanda	Ancient university in present-day Bihar
Kailasa Temple, Ellora	Associated with Rashtrakuta dynasty
Brihadeeswara Temple	Chola monument; built by Rajaraja Chola I

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q106–Q121** in the Complete Prep bank.

11. Medieval India

Medieval questions here are built around rulers, monuments, battles, administrative innovations and religious movements. Use a simple timeline rather than memorising isolated names.

Topic	Key point
Qutub Minar complex	Qutb-ud-din Aibak associated with construction; Iltutmish completed it
Rupiya	Sher Shah Suri introduced the silver coin called Rupiya during the Sur period
Mughal Empire	Founded in India by Babur
First Battle of Panipat	1526; Babur vs Ibrahim Lodi
Second Battle of Panipat	1556; Akbar's forces under Bairam Khan defeated Hemu
Fatehpur Sikri	Built by Akbar
Taj Mahal	Built by Shah Jahan in memory of Mumtaz Mahal
Aurangzeb	Last major Mughal emperor in the bank
Maratha kingdom	Founded by Shivaji Maharaj; coronation at Raigad
Sikhism	Founded by Guru Nanak; Khalsa founded by Guru Gobind Singh in 1699
Battle of Plassey	1757
Battle of Buxar	1764

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q122–Q140** in the Complete Prep bank.

12. Colonial Rule & Freedom Movement

Modern-history scoring depends heavily on chronology. Keep the following chain in order: colonial expansion → 1857 → INC → Swadeshi → Home Rule → Gandhi's early satyagrahas → Rowlatt/Jallianwala → Non-Cooperation → Civil Disobedience → Quit India → Cabinet Mission → Independence.

Event	Year / association
Permanent Settlement	1793; introduced by Lord Cornwallis

Event	Year / association
Doctrine of Lapse	Associated with Lord Dalhousie
Revolt of 1857	Began at Meerut; Bahadur Shah II symbolic leader; Rani Lakshmibai at Jhansi
Indian National Congress	Founded in 1885; A. O. Hume associated with founding; W. C. Bonnerjee first president
Partition of Bengal	1905; Lord Curzon
Swadeshi Movement	Response to Partition of Bengal
Home Rule	Annie Besant in Madras; Bal Gangadhar Tilak in western India
Lucknow Pact	1916
Champaran	1917
Kheda	1918
Ahmedabad Mill Strike	1918
Rowlatt Act	1919
Jallianwala Bagh	1919; firing ordered by General Reginald Dyer
Non-Cooperation	1920
Chauri Chaura	1922
Dandi March	1930; beginning of Civil Disobedience
Gandhi-Irwin Pact	1931
Poona Pact	1932
Government of India Act	1935; provincial autonomy
Quit India	1942; "Do or Die" associated with Gandhi
Cabinet Mission	1946
Independence	15 August 1947

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q141–Q174** in the Complete Prep bank.

13. Nation-Building & Important Books

The closing modern-history questions combine dates, first office-holders, national figures and famous books. Learn the office-holder sequence and author–book pairs as separate flash-card sets.

Fact	Answer
Adoption of Constitution	26 November 1949
Constitution came into force	26 January 1950
First Governor-General of independent India	Lord Mountbatten
First Indian Governor-General	C. Rajagopalachari
First President of Republic	Dr. Rajendra Prasad
First Prime Minister	Jawaharlal Nehru
Iron Man of India	Sardar Vallabhbhai Patel
Nightingale of India	Sarojini Naidu
Vande Mataram	Bankim Chandra Chattopadhyay
Jana Gana Mana	Rabindranath Tagore
Discovery of India	Jawaharlal Nehru
My Experiments with Truth	Mahatma Gandhi
Annihilation of Caste	B. R. Ambedkar
Brahmo Samaj	Raja Rammohan Roy
Arya Samaj	Swami Dayanand Saraswati

Fact	Answer
Ramakrishna Mission	Swami Vivekananda
Aligarh Movement	Sir Syed Ahmad Khan
Servants of India Society	Gopal Krishna Gokhale
Satyashodhak Samaj	Jyotiba Phule

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q175–Q193** in the Complete Prep bank.

PART III — INDIAN CONSTITUTION & POLITY

14. Fundamental Rights, DPSP & Duties

Constitution questions reward exact article/part recall. Separate the three major groups: Fundamental Rights, Directive Principles and Fundamental Duties. Do not mix a constitutional Part with an Article.

Provision	Remember
Fundamental Rights	Part III
Directive Principles	Part IV
Fundamental Duties	Part IVA
42nd Amendment	Added Fundamental Duties
61st Amendment	Voting age reduced from 21 to 18
Article 14	Equality before law
Article 21	Life and personal liberty
Article 32	Right to Constitutional Remedies
B. R. Ambedkar	Called Article 32 the "heart and soul" of the Constitution
Article 21A	Right to Education for children aged 6–14
Article 300A	Right to Property as a constitutional legal right

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q194–Q202** in the Complete Prep bank.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q253–Q256** in the Complete Prep bank.

15. Union & State Executive

The key distinction is constitutional head versus real executive. At the Union level the President is the constitutional head and the Prime Minister leads the Council of Ministers. At the state level the Governor is the constitutional head and the Chief Minister is the real executive head.

Question type	Answer
Who appoints Governor?	President of India
Constitutional head of state	Governor
Real executive head of state	Chief Minister
Who appoints Prime Minister?	President of India
Constitutional head of Union	President
President's election	Electoral college of elected MPs and MLAs
Minimum age for President	35 years

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q203–Q207** in the Complete Prep bank.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q225–Q228** in the Complete Prep bank.

16. Parliament

Parliament consists of the President, Lok Sabha and Rajya Sabha. The Lok Sabha is the directly elected popular House and has a normal maximum term of five years. Rajya Sabha is permanent, with individual members normally serving six-year terms.

Feature	Lok Sabha	Rajya Sabha
Normal term	5 years	Permanent House
Member term	—	6 years
Presiding officer	Speaker	Vice-President as Chairman
Money Bill	Can be introduced here	Cannot be introduced here

Feature	Lok Sabha	Rajya Sabha
Minimum age	25	30
Collective responsibility	Council of Ministers responsible to Lok Sabha	

Money Bill trap: The Speaker of Lok Sabha certifies whether a bill is a Money Bill. This is a favourite distinction from ordinary bills.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q208–Q215** in the Complete Prep bank.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q247–Q249** in the Complete Prep bank.

17. Constitutional Bodies

Memorise each body with its principal function. This avoids confusion between Election Commission, Finance Commission, CAG and UPSC.

Body	Main function / association	Article in bank
Election Commission of India	Conducts elections to Parliament and state legislatures	324
Finance Commission	Recommends distribution of tax revenues between Centre and states	280
CAG	Audits government accounts	148
UPSC	Recruitment for All India Services and many central services	315

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q216–Q220** in the Complete Prep bank.

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q243–Q246** in the Complete Prep bank.

18. Local Government, Writs & Emergencies

The local-government amendments and constitutional writs are high-value factual areas. Learn each writ by its purpose rather than only its name.

Topic	Key point
73rd Amendment	Constitutional status to Panchayati Raj institutions
74th Amendment	Constitutional status to urban local bodies
11th Schedule	Panchayats
12th Schedule	Municipalities
Habeas Corpus	Protection against unlawful detention
Mandamus	Orders a public authority to perform a legal duty
Quo Warranto	Questions legal authority to hold a public office
Certiorari	Quashes an order of a lower court/tribunal
Article 356	President's Rule in a state
Article 352	National Emergency
Article 360	Financial Emergency
Article 368	Constitutional amendment procedure
10th Schedule	Anti-defection provisions
52nd Amendment	Added anti-defection law
Article 262	Inter-state water disputes

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q221–Q242** in the Complete Prep bank.

PART IV — INDIAN GEOGRAPHY & ENVIRONMENT

19. India: Size, Extremes & Physiography

Geography questions often use superlatives. Learn them in groups: largest/smallest state, highest peaks, oldest ranges, longest rivers and coastline. Distinguish 'highest peak in India' from 'highest peak entirely within India'.

Feature	Fact
Largest state by area	Rajasthan
Smallest state by area	Goa
Most populous state (Census 2011)	Uttar Pradesh
Longest coastline	Gujarat
Southernmost point of mainland	Kanyakumari
Indira Point	Great Nicobar
Oldest mountain range	Aravalli Range
Highest peak in India	Kangchenjunga
Highest peak entirely within India	Nanda Devi
Western Ghats	Range separating Deccan Plateau from western coastal plains

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q257–Q266** in the Complete Prep bank.

20. Rivers, Lakes & Water Systems

A river should be learned with its direction, source/region and nickname where relevant. For lakes, learn type and location.

Feature	Remember
Ganga	Longest river in India in the bank
Godavari	Longest peninsular river
Kosi	"Sorrow of Bihar"
Damodar	"Sorrow of Bengal"
Narmada	Rises near Amarkantak; flows through a rift valley; westward to Arabian Sea
Tapi	Westward-flowing river to Arabian Sea
Mahanadi	Major river of Odisha
Majuli	Largest river island in India in the bank
Wular Lake	Largest freshwater lake in India by surface area in the bank
Chilika Lake	Largest brackish-water lagoon in India
Loktak Lake	Manipur; famous for floating phumdis
Sambhar Lake	Famous for salt production

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q267–Q281** in the Complete Prep bank.

21. Soils, Crops & Climate

Soil questions are usually crop–soil pairs. Black soil is the classic cotton soil; alluvial soil dominates the northern plains; laterite is associated with iron and aluminium enrichment.

Topic	Key association
Black soil	Best known for cotton cultivation
Alluvial soil	Most widespread in the northern plains
Laterite soil	Generally rich in iron and aluminium
Tropic of Cancer	Passes through 8 Indian states

Topic	Key association
Standard Meridian	82°30' E
IST	5 hours 30 minutes ahead of GMT
Tea	Assam is the largest tea-producing state in the bank
Coffee	Karnataka is a major producer
Darjeeling tea	West Bengal
Spice Garden of India	Kerala

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q282–Q305** in the Complete Prep bank.

22. Passes, Forests & Wildlife

Map-based recall is more reliable than memorisation. Put the Himalayan passes and major ecosystems on an imaginary map.

Feature	Association
Zoji La	Connects Srinagar and Leh
Nathu La	Sikkim; important route toward Tibet
Madhya Pradesh	Largest forest area in India in the bank
West Bengal	Largest area under mangrove forests in the bank
Sundarbans	Mangrove ecosystem
Gir National Park	Asiatic lions
Ranthambore	Tiger landscape in Rajasthan
Periyar	National park in Kerala
Desert National Park	Great Indian Bustard

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q292–Q301** in the Complete Prep bank.

23. Cities, States & International Borders

Nickname questions are memory-friendly. Build a single mental list of city nicknames and border relationships.

Place	Nickname / relationship
Jaipur	Pink City
Udaipur	City of Lakes in Rajasthan
Bengaluru	Silicon Valley of India
Ahmedabad	Manchester of India
Kochi	Queen of the Arabian Sea
Arunachal Pradesh	Land of Rising Sun
West Bengal	Longest international border with Bangladesh among Indian states in the bank
Assam	Shares borders with Bhutan and Bangladesh

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q306–Q313** in the Complete Prep bank.

PART V — GENERAL SCIENCE

24. Physics: Units, Forces & Instruments

For fast-scoring science questions, learn SI units as fixed pairs and instruments as measurement pairs. Then add a few everyday applications such as rear-view mirrors and corrective lenses.

Quantity / concept	Answer
Force	Newton
Energy	Joule
Power	Watt
Pressure	Pascal
Electric current	Ampere
Resistance	Ohm
Electric charge	Coulomb
Frequency	Hertz
Speed of light	Approximately 3×10^8 m/s in vacuum
Atmospheric pressure	Barometer
Humidity	Hygrometer
Electric current	Ammeter
Potential difference	Voltmeter

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q314–Q327** in the Complete Prep bank.

25. Light & Everyday Optics

Remember the lens/mirror applications as purpose-based rules. Convex mirrors give a wider field of view, so they are used as vehicle rear-view mirrors. Myopia is corrected with a concave lens; hypermetropia with a convex lens.

Concept	Key fact
Rear-view mirror	Convex mirror
Myopia	Corrected with concave lens
Hypermetropia	Corrected with convex lens
Shortest visible wavelength	Violet
Longest visible wavelength	Red
Dispersion	Splitting of white light into component colours
Blue sky	Scattering of light
Planetary orbits	Maintained by gravitational force

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q328–Q334** in the Complete Prep bank.

26. Chemistry & Environment Basics

The chemistry/environment portion of this bank is concept-based rather than calculation-heavy. Know atmospheric composition and the role of major gases in respiration, photosynthesis and greenhouse warming.

Topic	Remember
Most abundant atmospheric gas	Nitrogen
Human respiration	Oxygen is essential
Fossil-fuel combustion	Major source of carbon dioxide
Photosynthesis	Plants use carbon dioxide

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q335–Q338** in the Complete Prep bank.

27. Human Biology

Learn each organ by its primary function. For blood, distinguish cells from clotting components and remember the standard red-cell donor/recipient terms used in basic GK.

Topic	Function / fact
Heart	Pumps blood through the body
Kidney	Filters blood and forms urine
Liver	Detoxification and bile production
Cerebellum	Balance and coordination
Medulla oblongata	Controls many involuntary functions such as breathing
White blood cells	Help fight infections
Platelets	Help blood clot
O negative	Commonly termed universal donor for red-cell transfusion
AB positive	Commonly termed universal recipient for red-cell transfusion
Vitamin C deficiency	Scurvy
Vitamin D deficiency	Rickets
Vitamin K	Important for normal blood clotting

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q339–Q350** in the Complete Prep bank.

PART VI — ECONOMY, INSTITUTIONS, ORGANISATIONS & SPORTS

28. Indian Financial & Regulatory Institutions

The final section is deliberately short. Learn the institution, full form and primary function together.

Institution / term	What to remember
RBI	Reserve Bank of India; India's central bank
GST	Goods and Services Tax
SEBI	Securities and Exchange Board of India; regulates the securities market

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q351–Q355** in the Complete Prep bank.

29. International Organisations & Headquarters

Headquarters questions are pure recall. Group them geographically rather than memorising randomly.

Organisation	Headquarters / role
United Nations	New York; global peace and cooperation
World Health Organization	Geneva; international public health
UNESCO	Paris
International Monetary Fund	Washington, D.C.
World Trade Organization	Geneva

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q356–Q361** in the Complete Prep bank.

30. Awards & Sports

Sports GK in this bank is terminology-focused. Pair the distinctive term with the sport or institution.

Fact	Answer
Nobel Peace Prize	Norwegian Nobel Committee
Olympic Games	Governed globally by the International Olympic Committee
“Love” score	Tennis
“Checkmate”	Chess

Practice linkage: After studying this section, practise the corresponding **General Knowledge Q362–Q365** in the Complete Prep bank.

FINAL REVISION — 365 GK MASTER CHECKLIST

Use this checklist after completing the handbook once. You should be able to recall the following without looking:

Assam geography: Brahmaputra, Barak, Dhansiri, Majuli, Umananda, Kamakhya/Nilachal, Hajo, Haflong

Ahom history: Sukaphaa, 13th century, Saraighat 1671, Lachit Borphukan, Rang Ghar, Talatal Ghar, Charaideo Moidams

Assam culture: Sankardeva, Madhavdeva, Satra, Namghar, Borgeet, Bhaona, Ankiya Naat, Sattriya

Bihu & crafts: Bohag/Rongali, Kati/Kangali, Magh/Bhogali, Muga, Eri, Mekhela Chador, Pepa, Gogona, Dhol, Toka

Assam wildlife: Kaziranga, Manas, Nameri, Dibru-Saikhowa, Raimona, Hollongapar, Pobitora, Panidihing, Deepor Beel

Assam economy: Tea, Dibrugarh, Digboi, Numaligarh, Noonmati, Bongaigaon, Sarthebari

Ancient India: Maurya, Gupta, Kautilya, Megasthenes, Fa-Hien, Hiuen Tsang, Ashoka, Nalanda, Rashtrakuta, Chola

Medieval India: Aibak, Iltutmish, Sher Shah, Babur, Panipat, Akbar, Shah Jahan, Aurangzeb, Shivaji, Guru Nanak

Freedom movement: 1857, INC 1885, Bengal Partition 1905, Home Rule 1916, Gandhi movements, Jallianwala, Dandi, Quit India

Constitution: Parts III/IV/IVA, Articles 14/21/32/21A/300A, Amendments 42/61/73/74/52

Polity: President, Governor, PM, CM, Parliament, Money Bill, ECI, Finance Commission, CAG, UPSC

Writs & emergencies: Habeas Corpus, Mandamus, Quo Warranto, Certiorari, Articles 352/356/360/368

Geography: States, peaks, rivers, lakes, soils, Tropic of Cancer, IST, passes, forests, national parks, city nicknames

Science: SI units, instruments, optics, atmospheric gases, organs, blood, vitamins

Economy & organisations: RBI, GST, SEBI, UN, WHO, UNESCO, IMF, WTO, IOC, sports terms

Final practice order: Complete the online questions in the same sequence as the handbook. For every wrong answer, return to the corresponding topic rather than memorising the option letter.
